"AMONG FRIENDS" Greek Isles & Eastern Mediterranean Cruise

Departing from Toronto Saturday, September 22nd, 2007

Dr. Bill Webster writes:

In response to the many requests over the years, we have organized a Mediterranean Cruise for September, 2007. And what an itinerary it is! This will undoubtedly be the "Trip of a Lifetime" for us all.

We start with a 2 day pre-cruise package in FLORENCE and a 2 day post cruise stay in Rome, with opportunity for tours and sight-seeing before flying home. A description of our itinerary follows.

As usual, we will organize excursions at the ports of call for those interested. We also have several days at sea which are always enjoyable. Holland America is well known for excellent food, great service and larger rooms, so this promises to be a great trip.

Those who have investigated European travel will know that our price represents a very good deal, and includes air, cruise, taxes, PLUS your pre-cruise and post cruise packages. HOWEVER, space is LIMITED, and you need to register early to make your deposit and guarantee your spot.... with growing popularity of cruising, our allotted space CAN be "reclaimed" if the ship capacity fills up, so your deposit will help avoid disappointment.

I am hoping you will join us on this cruise, and we will do everything we can to make it memorable. Please let friends know about this opportunity ... everyone is welcome "Among Friends".

Ports of Call

Rome/ Florence - Upon arrival at Rome airport, we will transfer you to your hotel in Florence, the city that gave birth to the Renaissance. A tour of the city is included, and you will have free time to explore this beautiful city.

Dubrovnik, Croatia - The massive city walls of Dubrovnik enclose an enchanting World Heritage site: tall, medieval houses and marble-paved squares, meticulously repaired since the 1991 shelling.

Corfu, Greece - Green and gorgeous, Corfu is the most luscious of all the Greek islands. Follow winding roads past groves of ancient gnarly olive trees; linger in the elegant Parisian arcade.

Katakolon, Greece - In the quiet of the original Olympic Stadium, where the torch was first lit and the winners crowned with a laurel wreath, let your imagination run. Step into the ruined archives of Greek mythology at the Temple of Zeus - one of the few remaining Wonders of the Ancient World

Santorini, Greece - A dramatic isle created by a volcano in 1500 B.C., the effect is still explosive: 1,000 foot-high cliffs rise from sea level, and dazzling white houses cling to the cliffs above black pebble beaches.

Kusadasi, Turkey - Gateway to Ephesus, one of the best preserved archeological sites of the classical world. Explore its grand colonnaded marble streets, the Celsus Library, the ancient Agoura and the baths.

Piraeus (Athens), Greece - Gateway to the wonders of Athens, including the Acropolis, Constitution Square, Hadrian's Arch, the Olympic Stadium and more. Go shopping for souvenirs, silver jewelry and bright flotaki rugs.

Messina, Sicily, Italy - Gateway to Taormina and its views of snowcapped Mt. Etna. See how close the island is to the "toe" of Italy's "boot".

Civitavecchia (Rome), Italy - Once we disembark, we will take you to Rome for a City Tour to show you many of the important sites, before we transfer to the hotel for your 2 night post-cruise stayover. In your free time, consider making a private visit to the Vatican and Sistine Chapel, which your city guide could provide details for, or perhaps, arrange for you. Or visit many of the other treasures of Rome.
